**Prime Minister Mrs. Laimdota Straujuma strongly condemns the murder of Boris Nemtsov**

“One of the leading opposition leaders, one of the longlasting defenders of democratic values has been brutally murdered. This is an immense loss to the democratic forces of Russia, but I am convinced that such a brutal act will not destroy the democratic aspirations of Russian people. I condemn this cynical murder and express my deepest condolences to the Nemtcev family. I hope that we will see objective and comprehensive investigation of this barbaric act and expect that perpetrators are brought to justice.”
